

The **Bethel School of Supernatural Evangelism** will equip and empower both the seasoned and most timid believer to demonstrate the Kingdom of Heaven through love and power. If you hunger to see God move through you to display real power that touches lives with His love, you don't want to miss this school.

Bethel School of Supernatural Evangelism is a school that will equip you to have a Kingdom mindset that empowers ordinary people to openly display the raw power of God in your own community. In this school, you will be trained and equipped by Chris Overstreet who will help you develop a supernatural lifestyle of miracles, signs and wonders, salvation encounters, and deliverances. If you are a leader or individual who desires to move in the supernatural outside the four walls of the church, this school is for you. People have been transformed as a result of this training and equipping, and empowered to live their lives naturally supernatural.

The evening sessions are free for all to attend, but registration is required for the day sessions.

MAIN SPEAKERS

Chris Overstreet

Chris is Bethel's Outreach Pastor. He is passionate about an intimate relationship with Jesus, out of which flows a lifestyle of ministering the Kingdom of God around him. It is common for miracles, salvations, and life transformations to regularly take place as a result of Chris living his life naturally supernatural, while encouraging and equipping the Saints for the work of the ministry.

Lance Jacobs

Lance has been a part of Bethel's Leadership team for over ten years. He was Bethel's Outreach Pastor from 2000-2005. During those years he and a small team of people pioneered Bethel Church's demonstration of the love and power of God into the City of Redding. He now works within Bethel's School of Supernatural Ministry as a Pastor in the first year program. Lance's passion is to keep an intimate connection with God and to inspire others to follow Jesus as He leads.
